

System Access

Article Number: 426 | Rating: Unrated | Last Updated: Dec 10, 2018 at 4:58 PM

Logging in / Creating a Personal Account Access to this application is controlled by GradLeaders. You should have been provided with the link to the admin system and a username and password by the school. For security reasons, GradLeaders personnel will not give login information to students or employers. Please use this username and password to access the system. The system uses the personal account to distinguish you from other users, in order to save searches, send direct email to candidates, and store candidate notes
