

Messages True/False?

Article Number: 923 | Rating: Unrated | Last Updated: Jan 8, 2019 at 9:11 AM

Question: I was looking through the system messages and I noticed a Default column with the True or False values, what is the purpose of this column? **Answer:** The purpose of this column is to help users determine whether the message content is the same as the standard message or if its been revised by the school. True = The message is using the standard MBAFocus content False = The message's content does
